Form 990-EZ, Part III - Organization's Primary Exempt Purpose      The Partnership for Gender Equity (PGE) is creating common tools and methodologies to support the coffee and cocoa industries' engagement and investment in gender equity across the value chain. These tools will serve to improve the livelihoods of producers and enhance the sustainable supply of quality coffee and cocoa. By harnessing the power of collective action within the industry, growers, buyers, exporters, importers, roasters, private foundations, development agencies, academic institutions, and more, PGE endeavors to drive positive impact from community to cup, and for every step in between.

Form 990-EZ, Part III, Line 28 - Statement of Program Service Accomplishments      In 2020, the Partnership for Gender Equity worked with thirty-five producer organizations in ten countries to support them on their gender equity journeys. These organizations represented 35,000 families. PGE created online tools to support farmer organizations to address gender equity gaps, build action plans and connect to market actors who seek to support their efforts. PGE laid the foundation for a scalable tool called the Gender Equity Index to reach larger companies that provide services to farmers and farmer organizations. This tool will launch in 2021.
